

blū gloo™
TWO-WAY COLOR CHANGE ADHESIVE

See what you've been missing!

Now You Don't

blūgloo™

TWO-WAY COLOR CHANGE ADHESIVE

Blūgloo™ is the first and only adhesive that provides color contrast when you need it and is clear when you don't. Bracket placement and cleanup have never been easier.

Color on demand

The color contrast of Blūgloo during bonding facilitates fast, accurate bracket placement and makes it easy to remove unwanted flash. As Blūgloo warms to body temperature, the color virtually disappears, remaining clear throughout treatment. When debonding, simply introduce a short blast of cool air or water to lower the bonding surface temperature, and Blūgloo turns blue again for easy and thorough cleanup.

Formulated for aesthetic brackets

Blūgloo has a unique chemical affinity for today's high-tech composite brackets such as Damon™ 3, ensuring reliable bond strengths in even the most challenging cases. Blūgloo's advanced formulation and color stability are also exceptional for use with Inspire ICE™ and other ceramic brackets.

Superb handling characteristics

Blūgloo is formulated with an ideal combination of hybrid filler materials to provide superb handling characteristics.* Bracket drift is virtually eliminated and excess adhesive is removed easily.

Generous working time

Blūgloo's chemical properties allow for generous working time under operatory lighting, providing the right amount of time to place and position brackets, remove flash, and begin light curing.

Versatility

Blūgloo has a very broad application – its color and chemistry have been optimized for aesthetic brackets, plus it's excellent for bonding metal brackets. For added convenience, Blūgloo is packaged in syringe and Unidose™ kits.

Ordering Information

Syringe Kit contents, 740-0274

- 2 Syringes Blūgloo (4g), 740-0272
- 1 Bottle Ortho Solo™ Primer (5ml), 740-0271
- 1 Bottle Etching Solution (10ml), 740-0038
- 38 Sealant Applicator Brushes, 740-0124**
- 75 Spatulas, 740-0075

Unidose™ Kit contents, 740-0275

- 4 Unidose 10-packs Blūgloo (8g total), 740-0273***
- 1 Bottle Ortho Solo™ Primer (5ml)
- 1 Bottle Etching Solution
- 38 Sealant Applicator Brushes
- 75 Spatulas
- 1 Unidose® Dispensing Gun, 740-0197
