

## **Dr Christopher M.G. Turnock**

### **Orthodontist | Toowoomba, Queensland**

Dr. Turnock received his dental degree from the University of Queensland School of Dentistry and practiced general dentistry for 4 years before commencing his specialist training. He has completed a 3 year Doctorate of Clinical Dentistry in Orthodontics from the University of Melbourne. He also holds an MOrth RCS Ed from the College of Surgeons in Edinburgh, as well as an MRACDS (Orth) from the Australasian College of Dental Surgeons. He is board certified by the AOB.

Dr. Turnock practices in Toowoomba (Queensland, Australia) in partnership with Dr. Ashley Smith. Chris has been in private practice since 2010, and is also a visiting Senior Lecturer and Clinical Supervisor in Orthodontics at The University of Queensland. He has lectured in London, Sydney, New York, Seoul and Tokyo on the benefits of the Insignia system, and also runs in-office courses on the Insignia system at home in Toowoomba with Dr Smith. He has extensive knowledge on all aspects of the Insignia System including complex case management, surgical case management, business integration of the system, and detailed management of the vertical dimension.
