

Timothy Bandeen, DDS, MS

Battle Creek, Michigan

Dr. Timothy Bandeen attended Central Michigan University as a Centralis Scholar. He graduated Summa Cum Laude from Central Michigan University with a B.S. in biology and minor in chemistry. He completed his D.D.S. at The University of Michigan School of Dentistry where he graduated again with honors and was inducted into the Omicron Kappa Upsilon dental honors society. After dental school, he went to The University of Tennessee for his specialty training in orthodontics and to complete his M.S. While at The University of Tennessee, he was awarded the James Powell Research Award for research that contributes to the Arts and Sciences of Orthodontics & Dentofacial Orthopedics for his thesis "Effects of sickle cell disease on growth of the craniofacial complexes". After completing his residency, Dr. Timothy Bandeen worked with an orthodontic practice in Southaven, Mississippi and served on the faculty at The University of Tennessee in the orthodontics department as a clinical instructor and as director of the graduate course in cephalometrics and radiology. He has been practicing in Battle Creek since May 2006.
